

Distance Learning Plan of Action for Mrs. Cyr

Email: gcyr@rlfedu.org

-

I will be posting assignments on google classroom for each day. We will use the Google Suite, Zoom and GoGuardian to have a live classroom to help individual students with assignments.

Assignments will include IXL and the use of Desmos as well as other web tools.

Communication with students and parents will be through emails.

Things may change as the requirements for special education services are decided.

Thank you for your patience as we trod new territory.

Mrs. Cyr
