

October 16, 2020

Lafayette High School Parents and Students, as you have been informed we will be going to the Distance Learning Model starting Monday October 19 through Friday October 30th. It is our plan and hope that we resume In Person Learning again on November 2nd.

Monday October 19th will be a Distance Learning Prep day for students and staff. There will be NO instruction this day, that will begin Tuesday October 20th. Reminder that during our Distance Learning period students are expected to follow their regular class schedule and times. Teachers will stream each hour with their classes through Google Classroom/meets. Please check your e-mails daily moving forward for information from your teachers.

Because many of you have materials in your lockers that you need for class, we will allow you to enter the building Monday October 19th from 8:00 am to 3:00 pm. Junior High Students enter through the gym doors and Senior High enter the Cafeteria door. We will have staff at each door to usher you in and out. Please remember your Masks.

Thanks for your cooperation and support during these challenging times.

Mr. Kennett
