Wednesday, October 21, 2020

Dear Red Lake Falls School District Parents & Students,

We have good news on the “free meal” front.

At this time the USDA and Minnesota Department of Education (MDE) has notified us that free meals for all students will be available **through the end of the 2020-21 school year**.

We continue to strongly encourage everyone to fill out the application for educational benefits. The higher the number of qualified recipients of free and/or reduced meals a school district has, the more federal and state monies become available to our district in other areas as well as in our food service department.

Filling out the application for educational benefits form and qualifying for free and/or reduced meals now will also carry you through the beginning of the next school year.

Providing high quality meals in an effort to nourish your students continues to be our highest priority so that they are ready to learn and grow whether they are learning in school or at home.

Sincerely,

A handwritten signature in black ink, appearing to read "James Guetter", with a long horizontal flourish extending to the right.

James Guetter
Superintendent of ISD #630
