### Assessment Information

Describe how your school(s) is in compliance with the wellness policy regulations.	We conducted a triennial School Health Index survey with staff, students, parents and school board. Listed on our website is the survey scorecard along with an improvement plan the policy team created.
Describe how your wellness policy compares to model wellness policies.  (Example: the <a href="#">Alliance for a Healthier Generation</a> template)	It mirrors the MSBA/MASA Model Policy 533.

<p>Explain the progress made in attaining the goals of the wellness policy.</p> <p>Note: Attach copies or reports of any assessments that have been conducted. Examples:</p> <ul style="list-style-type: none"> <li>• School Health Index results indicating strengths and weaknesses of your policy.</li> <li>• <a href="#">WellSAT 2.0</a> results indicating the quality of written policy.</li> <li>• Relevant data sources such as Minnesota Student Survey results or other school/district data.</li> </ul>	<p>The School Health Index Surveys Results/Scorecard is included on the site with this template.</p>
